Thunder Snow Mat

Laura Lee Zanger

This mat is made using a 4-1 twill rhythm. You can see the "ones" in both the dark and light areas of the mat which gives it its stunning visual effect.

Twill and reading a graph required.

Special tools needed: Two metal spoke weights, two small plastic bobbins

Class: TH-4-2 \$ 150.00
Thursday 1:00-5:00 4 Hrs.

5 1/2" H X 5" D
Beginner

Nantucket Sugar Bowl

Jan Beyma

Students will learn the basics of setting up and finishing a Nantucket Basket. The basket will be woven over a ceramic bowl which becomes part of the basket. They will insert the cane staves into the base and weave with cane in an over under pattern. Cherry base, lid and cheater rim will be pre-finished.

Tools provided for class use.

Class: TH-4-3 \$ 65.00
Thursday 1:00-5:00 4 Hrs.

4" L X 4" W X 4" H
Intermediate

Snack Time

Mary and Jimmie Earl McKinzie

Use Nantucket style weaving to make a classy basket for your favorite snack by weaving over a high-quality OXO airtight container with a pop top lid. A black pre-finished base, spokes and rim accent the continuous spiral twill woven with bleached cane. Select from a choice of twill patterns to complement your style. Kits for a matching larger size will be available for purchase.

Class: TH-4-4 \$ 33.00
Thursday 1:00-5:00 4 Hrs.

McClintock

Mary and Jimmie Earl McKinzie

This big basket is woven using dyed and natural reed for a lovely two-toned effect. The handle is a rectangular hoop, which gives the basket a unique shape. The V-stitch handle wrap is the ideal finishing touch. Color choices will be available at class time.

Class: ST-8-37 \$ 65.00
Saturday 8:00-5:00 8 Hrs.

12" L X 12" W X 12" H w/handle
Advanced

Horizontal Melon - Shades of Fall

Cindy Pauchey

Look closely at this basket. It has horizontal ribbing instead of the normal converging ribs that insert into a God's eye. The horizontal ribbing is added before you do any weaving, thus none of the ribs have a tendency to fall out as in a traditional ribbed basket. The ribs form a circular pattern getting smaller as you add them. I devised a method of a continued God's eye along the rim for ribs.

Needs an Interest in innovative ribbing
Special tools needed: Awl, paring knife

Class: ST-8-38 \$ 80.00
Saturday 8:00-5:00 8 Hrs.
